Project

1.

GROCERY

- **Wide Range of Products:** Offer fresh produce, dairy, pantry essentials, snacks, and more to meet every household's needs.
- **Convenience:** Highlight easy access through physical stores or online delivery services.

2.

LOGIN PAGE

- **Purpose:** The login page serves as a gateway to access your personal account securely.
- **Sign-Up Option:** Provides an easy way for new users to create an account if they don't already have one.
